Grain Hazards

Flowing Grain

Bridged Grain

Avalanched Grain

Engulfment takes less than 1 minute

Personal Protection - PPE & You

Personal Protection Equipment (PPE) minimizes exposure to hazards for the individual. Consider the job when deciding on PPE needs.

- Eye protection - safety goggles
- Hearing Conservation - ear plugs or muffs
- Lungs - dust mask (minimum N95)
- Hands - general duty or chemical gloves
- Feet - non-slip, steel toed
- Head - hard hat
