

Farm Safety Game

Instructions for Play

Goal: be the first player to get your animal to the barn

1. Each player will select a farm animal as a playing piece.
2. Once the first player goes, play will go clockwise.
3. Taking turns, each player will roll the die and move the number of spaces indicated.

- If you land in a mud hole, you are stuck and lose a turn.
- If you pass a mud hole, go in the direction indicated by the die
 - 1,3,5 will follow odd arrow
 - 2,4,6 will follow even arrow

- If you land on a FREE space, you stay on the space and your turn is done.
- If you land on a colored space, draw a card for that color.
 - If you get the answer correct, you get to stay on that space.
 - If you don't answer correctly, you must go back three spaces (but don't need to do anything)
- If you land on a "Move Back 1" space, you must move back one and do whatever that space indicates.
- The first player to reach the barn wins.
