Media Guidance

**All CASN members are eligible to submit materials.\***

Accepted materials will be included on the campaign webpage and promoted as part of the campaign.

Eligible materials include:

- Safety resources (brochures, posters, booklets, videos, etc.)
- Academic based materials (journal articles, conference posters, etc.)

### **Submission Instructions**

To submit your materials, visit: <https://redcap.link/CASNCampaignSubmission>

You will need to provide a website link or upload a copy of the resource as an attachment.

Please ensure that all information is accurate and complete, including email and phone number.

\*All materials submitted for inclusion as part of a campaign will be reviewed by an expert in safety to ensure the material aligns with CASN's standards and that the content is correct, culturally appropriate, inclusive, and professional. Once the material is reviewed, CASN will let you know if the material was approved for inclusion in the campaign.
